The Race For
Perfection Has No Finish Line

SNAIP

About Us

Our Journey started In 2003 with the name of K.P. Engineering Co. providing services to the industrial sector with our expertise. We have established our name in the sector with serving the top industrial companies. With a vision to extend our services we have started with an extended arm S&A Infra and Projects to serve all sectors and add services with high level of experience in the industry. Established in 2003, We are one of the leading General and Specialised contractor Company in India S&A Infra and Projects has been associated with number of successfully completed projects in past. After a successful journey in western India market, "S&A Infra and Projects" This company will be known by the brand name of SNAIP.

The leadership and foresight vision of our Leadership (Proprietor) Mr. Shakil Shaikh. SNAIP has been started to offer comprehensive services in MEP & Civil. It has built for itself an enviable reputation of being a one-stop turnkey provider for all MEP and Civil needs, with a strong record of delivering several projects. It's potent blend of technical know-how, talented workforce, design expertise and exceptional project execution capabilities makes it the most preferred choice for MEP & Civil projects. Being quality conscious, SNAIP is ISO 9001: 2015 certified Company. Our clients recognize our commitment to deliver the highest quality of work on targeted schedule and within the given time frame and with economical solution. In meeting these objectives, we consistently place our focus on health, safety and the environment. The main aim of SNAIP is to introduce innovative, efficient and value engineering ideas in MEP and Civil field.

- **Vision**

To be a company that is in a position to take up any challenge in the industry. To be a role model for other upcoming companies in the similar sector.

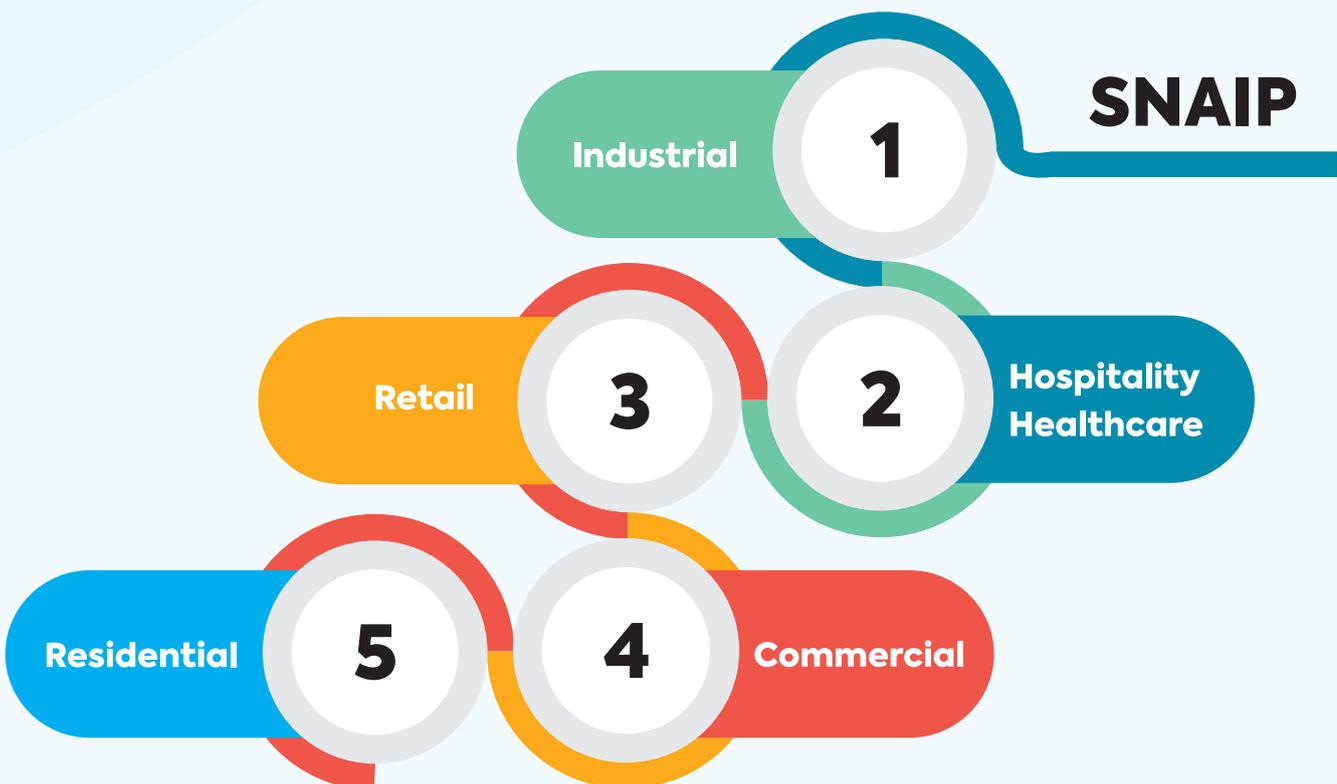

- **Mission**

Our mission is to provide our employees with an honest and helpful working environment, where every employee individually and collectively, can dedicate themselves to providing our customers with exceptional workmanship, extraordinary service, and professional integrity. Our commitment to this mission will allow SNAIP to become not only a premier contracting company, but the most premier contracting company in India.

- **Quality**

In our efforts to continually improve our services to our clients we strive ourselves in taking stringent steps to ensure we provide high class quality service with our commitment to quality and continual improvement.
